INSTRUCTIONS

Answer question any four questions

Start each question on a new page in your answer book

The marks allocated to each question are shown at the end of the question

Question 1

How can governments resolve the tradeoff between local government boundaries and the need for ensuring economies of scale in the delivery of services?

Question 2

What are the main challenges of monitoring and evaluation in decentralised contexts and of decentralization reforms? (25)

Question 3

Why should governments promote participation in local government decision-making and how can this be achieved? (25)

Question 4

On what criteria should the choice be made about which taxes should be collected at different levels of government? (25)

Question 5

Distinguish normative approaches from non-normative approaches, as well as the definitions that focus on the process of decentralization from those that focus on the objectives of decentralization (25)

Question 6

With reference to a country of your choice , discuss challenges faced by civil society in promoting collective governance
