Question 1

Read the following passage and answer the questions below-

Globalization as a concept fundamentally deals with flows. These flows could be of various kinds- Ideas moving from one part of the world to another, capital shunted between two or more places, commodities being traded across borders, and people moving in search of better livelihoods to different parts of the world. The crucial element is the worldwide, „interconnectedness“ that is created and sustained as a consequence of these constant flows.

Globalization is a multi-dimensional concept. It has political, economic and cultural manifestations and these must be adequately distinguished.

- i. “Globalization is a multi-dimensional concept”. Justify. 1
- ii. In Globalization, the crucial element is the „worldwide interconnectedness“. Substantiate the statement with two suitable examples. 2
- iii. How the disintegration of USSR helped in spreading globalization across the world? 2
