Number your answers carefully.

Begin each new answer on a new page and write legibly.

Do not repeat material.

Question 1

Does Andre Gunder Frank's thesis of "development of underdevelopment" give us the true picture of the state of development in underdeveloped countries? Discuss.

Question 2

- (i) Discuss two major effects of colonialism in Africa (10 marks).
- (ii) Compare and contrast realism and liberalism theories in analysing and understanding Africa (10 marks).

Question 3

What are the major arguments of the World Systems Theory of Wallerstein? Are they acceptable to you?

Question 4

Modernization and dependency theories have long been the major paradigms for explaining conditions in the developing world. Describe and critique these theories.

Question 5

Numerous scholars in IR suggest that conflict (both military and economic) could be avoided if only actors could communicate credibly. Analyse this argument from the perspective of Lord Palmerstone's statement that {...In international relations, there are no permanent friends or permanent enemies, only permanent interests...}

Question 6

'Liberalism is a theory, while realism is a practice.' Discuss.
