## **HHS 423    History of Political Thought**

1. Explain the following theories of the origins of the State: natural law theory, force theory, social contract theory and Marxist theory and indicate which theory in your view best explains the origin of the state.
2. Explain what European democracy means and clearly show the contributions of John Calvin, Ignatius Loyola, Thomas Hobbes and Jean Jacques Rousseau to the development of democracy.
3. Explain the principles of the British Constitution.
4. Discuss European dictatorship with reference to concepts that are common to Fascism and Nazism.
5. Evaluate Fidelismo and how this was applied to the development of Cuba.
6. Compare Kwame Nkrumah and Julius Nyerere as Marxists and how each applied Marxism to the development of their individual countries.
