INSTRUCTIONS

Answer three questions only

Each question carries 100 marks

Start each question on a new page

-
1. Discuss any **two** teaching methods that you could use in your main subject area to promote active learning.
 2. Discuss the challenges that teachers and students are facing in the teaching and learning of your main subject at the school where you did your micro-teaching.
 3. Examine the major techniques for organizing and managing effective learning environments basing on your micro-teaching experiences.
 4. Analyse the key characteristics of effective lesson planning using examples drawn from your micro-teaching experiences.
 5. Describe a lesson that you taught poorly in your main subject during micro-teaching and explain steps that you would take to improve your teaching skills suppose you are given another chance
