-
1. Examine the fundamental characteristics of an effective teacher and demonstrate how you would apply these characteristics to real classroom practice when teaching your minor subject.
 2. Discuss the benefits of micro-teaching explaining how the skills gained helped you to teach your minor subject competently.
 3. Discuss the essentials of modern, highly effective and exciting 21st century instructional environments illustrating why such environments are a major precondition for impactful teaching and learning.
 4. Imagine that you have been invited at a Teachers Conference as one of the keynote speakers. The Conference Theme is on 'How to Assist Struggling and Average Learners to Succeed Academically.' Prepare a detailed presentation that illustrates the benefits of assisting these learners and the academic interventions you would make when dealing with struggling (slow) and mediocre learners.
 5. Based on your micro-teaching experience demonstrate why a well-managed classroom is essential in promoting impactful teaching and learning.
