LECTURER: Ms SITHOLE

DURATION: 3 HOURS

INSTRUCTIONS

a) Answer **THREE** questions only.

b) Each question carries **20 marks**.

c) Begin each question on **new examination answer sheet**.

Question 1

“The initial impulse for the abolition of the slave trade and slavery came from the newly awakened Christian conviction strengthened by the reasonableness and philanthropy of the Enlightenment.” Discuss

Question 2

Discuss the view that Africa was colonised for her economic potential.

Question 3

Assess the economic impact of the mineral revolution in South Africa.

Question 4

Examine the arguments put forward by Julius Nyerere in support of Ujamaa as a political-economic model of development.

Question 5

Account for the failure of the Economic Structural Adjustment Programmes in any one African country of your choice.

Question 6

Discuss the view that the major challenge with most developmental programmes in Africa is that most of them are donor funded and foreign driven.
