ECI 521 INSTRUCTIONAL TECHNOLOGY

END OF SECOND SEMESTER EXAMINATIONS

NOVEMBER 2018

LECTURER: Mr H. SIDINDI

DURATION: 3 HOURS

INSTRUCTIONS

Answer ALL Five Questions. Each Question carries 20 marks.

Question 1

Evaluate the effectiveness of using the virtual classroom as a teaching and learning tool. You should identify and make reference to specific features and functions of the Moodle Learning Management System.

Question 2

Technology plays a critical role in the success of the learner-centred paradigm of education. As a teacher, discuss how you can facilitate the four main technology roles.

Question 3

With specific reference to your school, discuss three main barriers to technology integration.

Question 4

Evaluate the flipped classroom model and explain your decision to either incorporate this concept or not in your teaching.

Question 5

You have just returned from a conference where a number of issues on Instructional Technology were discussed. The School Head has asked you to make a presentation to staff on one important issue that you took note of.

Prepare a detailed list of points and sub points for your presentation covering the following:

The opportunities for using blogs for communication, teaching and learning at the school. Please ensure that you identify resources required to setup a blog.
