Credit will be awarded for logical, systematic and neat presentations

All questions carry 100 marks

Any form of plagiarism will severely be penalised

SECTION A

Question 1

- A. Does Marxism give a convincing account of the role of capitalism in Foreign Policy Making?
Cite suitable examples [13 marks]
- B. Critically discuss the hallmarks of realist Foreign Policy Analysis. [12 marks]

SECTION B

Question 2

According to Harold and Sprout (1956), foreign policy can only be explained with reference to the psycho-milieu of the individuals involved in decision-making. Evaluate this assertion and use suitable examples. [25 marks]

Question 3

Critically discuss domestic factors and international factors that influence foreign policy decision-making. Your answer must be based on ONE (1) relevant case study [25 marks]

Question 4

With suitable examples, critically assess the validity of either the systemic theories or internal theories to the study of foreign policy. [25 marks]

Question 5

Since the end of the Cold War, there has been a general consensus that the United States of America has been pursuing a number of grand strategies. Explain how did the collapse of the Soviet Union make American foreign policy more complex? [25 marks]
