INSTRUCTIONS

1. Do **NOT** write your name on the answer sheet.
2. All students **MUST** answer the **Compulsory** question in **Section A**. It carries 40%
3. Students can pick **TWO** questions from **Section B**. Each question in Section B carries **30%**.
4. Answer each question on a new page.
5. Credit will be awarded for logical, systematic and neat presentation.

SECTION A

1. Not all social conflict is retrogressive. Examine this statement using practical examples.

SECTION B

2. Using practical examples, differentiate between conflict management and conflict resolution.
3. Utilising examples, illustrate the synergy between Social Conflict and the Theory of Social Change.
4. Giving practical examples, illustrate how the social stratification theory explains social conflict in Zimbabwe.
5. The goal of conflict theory is to provide a scientific explanation for the broad patterns of conflict in society, including how it arises, changes, and what consequences it has. Elaborate this viewpoint in detail using examples.
