dbm

1. Using relevant examples where appropriate, compare and contrast the following paired terms.
 - a) Pastoral care and Secular care [50]
 - b) African pastoral care and Western pastoral care [50]
2. A family has just lost a breadwinner. The wife and the children are threatening to kill the one who they suspect of killing the breadwinner. Some family members are thinking of committing suicide as they think that they will not survive without the breadwinner.
As a pastoral care giver, discuss how you can take care of this family using the pastoral function of sustaining. [100]
3. Discuss whether or not a pastoral caregiver should visit the sick alone or accompanied. [100]
4. Explain what a pastoral counsellor should say about each of the following matters in the context of premarital education:
 - a) Family financing [50]
 - b) Meaning of parenting [50]
5. Explain how you would assist people who come for marital counselling with the following concerns:
 - a) Taking care of their elderly parents. [50]
 - b) Childlessness that is causing a couple to consider divorce due to pressure from the husband's family [50]
