*tmm*

---

1. The Book of Job, chapters 1 and 2 narrates the story of Job who got into a life of suffering from a flourishing life. Job's mirrors a number of real life situations that we can approach using a number of psychoanalytic models of pastoral care and counseling.
  - a) Discuss the extent to which Freud's psychoanalytic mechanisms of Rationalization, Denial and Transference are relevant and applicable to pastoral counseling. [30]
  - b) Assess the practice of pastoral counseling in all its forms in your church in terms of the way it is practiced, its strengths and weaknesses and ways to make it more effective. [30]
  - c) Assuming that you were Job's pastoral caregiver, use the knowledge you have gained in this class to generate a model of pastoral consolations you would use to support and, or, sustain him. [40]
2. The Book of Job, chapters 1 and 2 narrates the story of Job who got into a life of suffering from a flourishing life. Job's mirrors a number of real life situations that we can approach using a number of psychoanalytic models of pastoral care and counseling.
  - a) Discuss the extent to which Freud's psychoanalytic mechanisms of Projection, Displacement and Counter-transference are relevant and applicable to pastoral counseling. [30]
  - b) Assess the ministry of marital counseling in all its forms in your church in terms of the way it is practiced, its strengths and weaknesses and ways to make it more effective. [30]
  - c) Assuming that you were Job's pastoral caregiver, use the knowledge you have gained in this class to generate a model of pastoral consolations you would use to support and, or, sustain him. [40]
3. The Book of Job, chapters 1 and 2 narrates the story of Job who got into a life of suffering from a flourishing life. Job's mirrors a number of real life situations that we can approach using a number of psychoanalytic models of pastoral care and counseling.
  - a) Discuss the extent to which Freud's psychoanalytic mechanisms of Repression, Displacement and Rationalization are relevant and applicable to pastoral counseling. [30]
  - b) Assess the ministry of premarital counseling in all its forms in your church in terms of the way it is practiced, its strengths and weaknesses and ways to make it more effective. [30]
  - c) Assuming that you were Job's pastoral caregiver, use the knowledge you have gained in this class to generate a model of pastoral consolations you would use to support and, or, sustain him. [40]
