INSTRUCTIONS

Do NOT write your name on the answer sheet.

Answer One question from the Three questions.

Begin your answer for each part of the question on a new page e.g a) , b)
and c).

Each question is worth a total of 60 marks.

Credit is given for neat, well-written and lucid work.

- 1a. Examine the potential effects of having sexual and reproductive health care services as being categorized as non-essential during Corona Virus induced country lockdowns for African citizens (30 Marks).
- b. Recommend possible and practical strategies that can be implemented to ensure sexual and reproductive health care services reach people during lockdown periods (30 Marks).
- 2a. Assess the impact of gender-based violence during COVID-19 lockdown periods (40 Marks).
- b. Suggest possible ways of reducing the impact of gender-based violence (20 Marks).
3. Assess the sexual and reproductive implications associated with payment of bride price (*Lobola*) in contemporary African societies.
