***INSTRUCTIONS***

Do NOT write your name on the answer sheet.

Answer One question from the Three questions

Begin your answer for each part of the question on a new page e.g. a), b) and c).

4. Each question is worth a total of 100 marks.

5. Credit is given for neat, well written and lucid work.

1. Many countries are encouraging people to get vaccinated for Covid 19. You are working as a psychologist/ social worker in the government. Use your knowledge in

attitude formation and change to help foster positive attitudes towards Covid 19 vaccinations in your country.

2. You are a Social worker/Psychologist working for a local NGO that focuses on helping children living in the streets. Using your knowledge on prosocial behavior and on aggression, discuss how you would help these children to adopt prosocial and non-aggressive behaviors.
3. You suspect groupthink processes are working against the development of a group of students. Discuss the presenting signs and symptoms that enabled you to confirm that groupthink processes are in operation and illustrate how you would help the students to engage in better decision making processes and behaviors

**END OF PAPER**
