INSTRUCTIONS

Do NOT write your name on the answer sheet.

Answer One question from the Three questions.

Begin your answer for each part of the question on a new page e.g a) , b) and c).

Each question is worth a total of 100 marks.

Credit is given for neat, well-written and lucid work.

1. *‘Our cultural backgrounds determine our moral development path’*. Discuss this assertion in line with Kohlberg’s stages of moral development, giving relevant examples to justify your argument.

2. You have been asked by one of the community leaders to educate newly married couples on child rearing. Using contemporary examples, as well as giving advantages and disadvantages of each parenting style, outline and assess any three (3) parenting styles you can talk about.
3. Drug consumption by both men and women has become a common phenomenon in most societies. As a graduate psychologist, you have been tasked to present a paper on the effects of drug consumption by pregnant women.
Using relevant examples, outline and discuss content of your presentation.
