QUESTIONS

1. With the aid of practical examples, explore challenges related to the reintegration of young offenders upon their release from prison and show how social workers can intervene.
2. Demonstrate how societal attitudes and environmental factors affect the quality of life for people living with disabilities in African community of your choice and suggest social work intervention strategies.
3. The launch of the National Disability Policy by President Mnangagwa in June 2021 has been hailed as a historic development in addressing the rights and welfare of persons with disabilities. *Adopted from Herald 12 June, 2021.*

In light of the above article critically analyze the appropriateness of the national disability policy in addressing the needs of people living with disability and show how social workers can utilize the disability policy to promote rehabilitation of people living with disabilities.
