INSTRUCTIONS

Do NOT write your name on the answer sheet.

Answer One question from the Three questions.

Begin your answer for each part of the question on a new page e.g. a), b)
and c).

Each question is worth 100 marks.

Credit is given for neat, well-written and lucid work.

1. Despite decades of social development, African countries have remained poor and undeveloped (Midgley, 2017). Assess the major factors hindering the effectiveness of the social development approach towards poverty alleviation and describe ways of enhancing the effectiveness of the social development approach in an African country of your choice.
2. The Covid 19 pandemic has exacerbated the socioeconomic circumstances of persons with disability in Africa. Explore how you would use the Integrated Systems Model (Pincus and Minahan, 1973) in addressing the socioeconomic challenges faced by persons with disability in Africa during the Covid 19 pandemic.
3. Examine the efficacy of the Case Management Process towards addressing challenges faced by children living and working on the streets in Africa.
